Enacted in 1990, The Crime Awareness and Campus Security Act was designed to assist the campus community in making decisions which affect their personal safety by requiring institutions of higher education to provide certain campus security information to current and prospective students and employees. The Higher Education Act of 1998 and the subsequent amendments of the implementing regulations (34 C.F.R.668.46) significantly expanded institutions’ obligations under the Act. The Act was also renamed the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act” (hereafter the Clery Act).

The Mays Business School at CityCentre (MBS CityCentre) Campus Administrator, with input from Midway Property Management and Office of Risk, Ethics, and Compliance (OREC), prepares and distributes the Annual Security Report so that students and members of the immediate community can view the information. The Annual Security Report is published every year by October 1st and contains three years of selected campus crime statistics and certain 2019 – 2020 academic year campus security policy statements for the MBS CityCentre campus in accordance with the Clery Act. Statistics are compiled using campus incident reports and information received from Houston Police Department’s representatives, CityCentre Security, Student Affairs, and other campus security authorities. The 2019 Annual Security Report contains crime statistics for calendar years 2018, 2017, and 2016.

Annual Security Report Notifications

Each year, an e-mail notification which provides website access to this report is sent to all current students, faculty, and staff. Upon request, individuals may obtain a written paper copy of the report from the Campus Administrator’s office at 842 West Sam Houston Parkway N., Houston, Texas 77024, by calling 281-809-4604, or by emailing jjones@mays.tamu.edu. **Campus Law Enforcement Policies**

**Police Department Overview**

Campus police are not provided. Security services are provided by CityCentre Security which is a third party security company contracted by Midway. The Midway Property Manager (713-463-4692) should be contacted to answer any questions or address problems related to MBS CityCentre or its operation. The following is a list of some (but not all) of the situations that should be brought to the attention of the Property Manager:

- Bomb threats
- Fire
- Gas Leaks
- Flood/wind/storm/hail damage
- Civil disturbance
- Medical emergency
- Environmental concerns or issues
- Safety hazards
  - Burned-out exterior lighting
  - Potholes in parking lot
  - Broken handrails
  - Broken exterior water lines
  - Broken landscape irrigation heads
  - Roof leaks
- Suspicious situations or persons

In certain of the above situations, it will be necessary to call 911 immediately before contacting the management office. When calling 911, please be prepared to provide the following information:

- Facility name and address
- Lease space and location in the facility

**Jurisdiction**

MBS CityCentre property is under the primary jurisdiction of the Houston Police Department. They may be reached at 713-884-3131 and are located at 1200 Travis St., Houston, Texas 77002. In an emergency situation the Houston Police Department may be reached by dialing 911 from any campus phone.

**Arrest Authority**

Midway is responsible for campus security through CityCentre Security. Security officers are comprised of contracted security officers assigned through a third party contract. They are not commissioned officers and have no arrest powers.

**Enforcement Authority**

All reports to CityCentre Security are investigated and are referred to law enforcement authorities when appropriate. Criminal matters involving university students may also be referred to university administration for disciplinary action.
Working Relationships and Agreements
CityCentre Security remains in contact with the Houston Police Department, the Harris County Sheriff’s Office, Harris County Precinct 5 Constable’s Office, and the Houston Metro Police Department to report criminal or suspicious activity which may warrant an emergency response or timely warning notification. No written memorandum of understanding is in place with state or local law enforcement agencies.

A request is distributed to local law enforcement agencies annually to solicit cooperation in informing the institution about crimes. The request is specific to informing the CityCentre Campus Administrator about situations reported to the given local law enforcement agency that may warrant an emergency response or timely warning notification.

Monitoring Non-Campus Locations
The MBS CityCentre campus does not sponsor officially recognized student organizations, however, MBS CityCentre students may participate in student organizations recognized by the main Texas A&M University campus. MBS CityCentre students do not inhabit non-campus housing. Institutional sponsored travel (individually or as part of a student organizations officially recognized by the main campus) may result in the location meeting the criteria for Clery non-campus property. If this situation occurs, CityCentre Security does not provide security at these non-campus locations. The local law enforcement agency with jurisdiction at the location monitors criminal activity at the non-campus property and responds when police services are requested.

Professional Standards
CityCentre Security’s relationship with its students is vital to achieving our overall mission of a safe and secure facility along with providing excellent service. All members of the Executive MBA and Professional MBA community can expect to be treated in a courteous and professional manner by members of the CityCentre Security team. The Security Department will not tolerate an employee who acts unprofessionally or who does not provide an appropriate level of service.

The quality of the service provided is dependent in part on feedback from the Mays Business School Community. Please help improve interaction with CityCentre Security by bringing complaints and compliments to the attention of any of the following individuals in a timely manner, Campus Administrator (281-631-5428), CityCentre Security (713-461-0758), or Midway Property Manager (713-463-4692).

Reporting Crimes
Incident Reporting and Response
Students, faculty, staff, community members, and guests are encouraged to report all crimes and public safety related incidents to CityCentre Security, Houston Police, and the appropriate police agencies in an accurate and prompt manner when the victim of such crimes elects or is unable to make such a report. In the event of a criminal act, suspicious person, or any other emergency, students, and others are to immediately call 911 or contact the Houston Police Department at 713-884-3131. All incidents should also be reported to the MBS CityCentre Campus Administrator (281-631-5428), CityCentre Security (713-461-0758), and the Midway Property Manager (713-463-4692).
Once reported, the Campus Administrator, Program Directors, CityCentre Security, and Midway Property Management will respond as quickly and safely as possible to any request for assistance. Response includes dispatching a safety officer to attend to the needs of the victim and secure the scene and, as situations warrant, contact outside services such as local law enforcement, the fire department, or emergency personnel to respond to the incident.

**Reporting Criminal Offenses to University Officials: Campus Security Authorities**

As an option to reporting immediate emergencies to 911 and the parties listed above, crimes may be reported to the following offices/individuals: the Associate Dean of Graduate Programs 979-845-0361, the Mays Professional MBA Program Director 979-845-4714, Human Resources Organizational Consulting & Resolution Management 979-862-4027, Office of the Dean of Faculties & Associate Provost 979-845-4274, the Assistant Vice President and Title IX Officer 979-458-8407, or the Chief Risk, Ethics, and Compliance Officer 979-458-0308. Crime reports provided to campus security authorities are used by the school to fulfill its responsibility to annually disclose accurate crime statistics and to issue or facilitate the issuance emergency notifications and timely warnings. Campus security authority crime reports should include sufficient detail such as dates and locations, and where appropriate, personally identifying information, including name and contact information, if available. For additional information on the duties and responsibilities of the individuals and offices listed above, see the following: https://upd.tamu.edu/CSA%20Reporting/CSA%20Slides.pdf.

**Confidential and Anonymous Reporting of Crimes**

If you are the victim of a crime you are encouraged to report the crime to the Houston Police Department. If you do not want to pursue action within the university or the criminal justice system, you may still want to consider making an anonymous or confidential report. Faculty, staff and students may anonymously report criminal or unethical behavior through Houston Police Department Crime Stoppers at 713-222-TIPS (8477) or online at http://crime-stoppers.org/tips.html website. In Texas, victims of certain offenses are eligible for a pseudonym in which the victim’s true identity will not be released.

The MBS CityCentre campus security authorities listed above will generally accept voluntary, confidential reports of crime from victims, witnesses, and others for inclusion in the crime statistics disclosure of the annual security report and crime log. Annual crime statistics and the crime log are confidential in that personally identifiable information is not included in the disclosure. Campus security authority crime reports should include sufficient detail such as dates and locations, and where appropriate, personally identifying information, if available.

The MBS CityCentre campus has no pastoral or professional counselors on-site who are exempt from reporting requirements under the Clery Act. Therefore, no procedures are in place at MBS CityCentre to encourage counselors (if and when they deem appropriate) to refer persons they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual statistics or crime log. At the main Texas A&M University campus, counselors available to MBS CityCentre students are provided a written reminder each year to review reporting options with student clients. Contracted counseling personnel available to employees are not provided the written reminder as they are referred using a network of local providers.

**Timely Warning Policy**

The circumstances in which a Timely Warning (Crime Alert) will be generated include, but are not limited to, the receipt of a report by a campus security authority of a crime reportable under the Clery Act that poses a serious or continuing threat to the campus community. The Director of the program in session, Associate Dean of Graduate Programs, or the MBS CityCentre Campus Administrator is responsible for determining if
a Crime Alert will be issued. An internal review among two or more of these authorized personnel may occur if time allows. Crimes reportable under the Clery Act that may warrant a Crime Alert include, but are not limited to, major incidents of arson, murder/non-negligent manslaughter, robbery, aggravated assault, sex offenses, or other crimes as determined necessary by the Director of the program in session, Associate Dean of Graduate Programs, and the MBS CityCentre Campus Administrator. The determination will be made on a case by case basis after due consideration of all available facts of the crime, such as the nature of the crime and whether or not a continuing danger to the campus community exists. If CityCentre Security or other campus security authorities are not notified of the crime in a manner that would allow timely notice a Crime Alert may not be issued, depending on the circumstances. All situations will be evaluated on a case by case basis.

Anyone with information warranting a Crime Alert should report the circumstances immediately to MBS CityCentre Campus Administrator (281-631-5428) or CityCentre Security (713-461-0758). Reports can be made in person at MBS CityCentre (842 West Sam Houston Parkway N., Houston, Texas 77024).

Crime Alerts contain sufficient information about the nature of an identified threat to assist members of the campus community in taking appropriate action to protect themselves or their property. The MBS CityCentre Campus Administrator or designee is authorized to write and issue Crime Alerts. Crime Alerts are issued through an email to faculty, staff, and students in a manner that is timely, that withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences. Crime Alerts generally include:

- A readily understandable description of the type of crime or occurrence.
- The general location, date and time of the offense.
- A physical description of the suspect(s), if available, when there is sufficient detail that would reasonably help identify a specific individual suspect or group of suspects.
- Possible connection to other incidents.
- Date and time the alert was issued.
- Suggested measures which members of the university community can take to help protect themselves.

It is important to note that in some cases administrators may need to withhold some facts if releasing the information would compromise an ongoing investigation or the identity of the victim. Victim names and other identifying information of victims are never included in Crime Alerts. An institution is not required to provide a timely warning with respect to crimes reported to a pastoral or professional counselor.

**Emergency Response and Evacuation Policy**

The procedures disclosed in this section apply to significant emergencies and dangerous situations occurring on the campus MBS CityCentre, i.e. on-campus property. The institution does not have separate procedures for non-campus property.

**Emergency Notification System**

It is the policy of MBS CityCentre to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. Notification of a significant emergency or a dangerous situation at the MBS CityCentre facility is provided via text message or email from MBS CityCentre to its students and employees. Personnel from the MBS CityCentre (including the Director of the program in session and/or the MBS CityCentre Campus Administrator) determine whether a significant emergency or dangerous situation exists by evaluating information received from entities which may include, but are not limited to: Midway
(typically communicated through an email blast to tenants including the MBS CityCentre Campus Administrator), law enforcement, fire department, National Weather Service, and other campus officials.

Upon confirming the emergency or dangerous situation, MBS CityCentre will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system; unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. Once the Director of the program in session and/or the MBS CityCentre Campus Administrator make the decision to declare the emergency or dangerous situation, an emergency notification is sent to MBS CityCentre students and employees by the MBS CityCentre Campus Administrator. The emergency notification may include instructions to evacuate the class in session or refrain from arriving for the session. Victim names and other identifying information of victims are never included in emergency notifications. Individuals receiving the emergency notification will also be advised with updated information, as needed, using the same method(s) as the original notification.

The emergency notification is sent to faculty, staff, and students of MBS CityCentre through one or both of the following mechanisms: text message or email as documented in the Texas A&M University MBA Program Emergency Communication Plan. MBS CityCentre programs serve three types of students which include students not in class at the space, students in class at the space, and students studying at the space. These cohorts are only present in the facility at specific times and the studying is done by reservation only. All cohorts receive the emergency notification.

If the class is in session, communications will direct those in attendance to evacuate according to the Midway issued evacuation route. Otherwise, if the cohort has not arrived, the Emergency Communication Plan will be activated giving instructions not to arrive at MBS CityCentre for class or study due to an emergency.

**Registering for Emergency Notifications**

Students enrolled in programs at MBS CityCentre and employees are registered in a class remind app emergency notification that allows students, faculty and staff to receive text message alerts. Emergency alerts are automatically sent to all enrolled student and MBS CityCentre employee cell numbers. The public does not have access to register for emergency notifications sent through the remind app. The remind app is tested in each of the fall and spring semesters.

**Disseminating Information to the Larger Community**

The Associate Dean of Graduate Programs, working with the Marketing and Communications team will release a statement in accordance with state law and Texas A&M University policy to disseminate emergency information to individuals and/or organizations outside the campus community.

**Emergency Preparedness**

Midway and the Campus Administrator have responsibility for implementing emergency preparedness procedures and testing emergency response procedures at MBS CityCentre. Emergency Communication Plan and Evacuation Options material for MBS CityCentre has been documented for emergency guidance and instruction. The Campus Administrator publicizes the communications plan by distributing it annually to all Mays Business School at MBS CityCentre students and employees for evaluation and feedback. The distribution occurs early in the fall semester in conjunction with a campus fire drill.

In conjunction with Midway, MBS CityCentre conducts biannual announced and unannounced emergency drills. Midway documents the type of exercise, the date and time it was held, and the length of the drill. These
exercises are designed for assessment and evaluation of emergency plans and capabilities. The MBS CityCentre Campus Administrator evaluates the exercise documenting efficiency and improvements noted by participants.

The Daily Crime Log
The MBS CityCentre campus is exempt from providing a Daily Crime Log as security personnel are contracted by the property management company from whom classroom space is leased.

Security of and Access to Campus Facilities

General Provisions
The MBS CityCentre facility is equipped with an Access Control System which restricts entry to the building via card key only, outside of the normal building operating hours. Normal building operating hours are Monday through Friday 7:00 AM to 10:00 PM, Saturdays from 8:00 AM-6:00 PM and closed on Sunday.

Parking Garages
MBS CityCentre parking garages are under limited video surveillance and may or may not be monitored. Garages are equipped with emergency phones on each level and are readily visible and identifiable by the bright blue lights located on top of the phone cabinets. Students may request escorts by security to their cars.

Academic and Administrative Buildings
The MBS CityCentre lobby entrance is equipped with the same system as the entire MBS CityCentre facility. Students and faculty are provided with access cards. Access cards for students are programmed to work only during specified student hours. The MBS CityCentre areas specific to TAMU programs are equipped with a video surveillance system.

Maintenance of Campus Facilities
Building maintenance is provided by the Midway. Midway provides a building engineer to conduct daily inspections of the property along with quarterly and annual inspections. Midway also provides a trouble ticket reporting system for tenants to report issues to be resolved by property management. Once the trouble ticket placed by the tenant is addressed, the tenant is notified of the repair.

Federal law prohibits the unlawful possession, use, sale, or distribution of drugs. Texas state law prohibits the possession, use, sale, manufacture, or delivery of a controlled substance without legal authorization. A controlled substance includes any drug, substance or immediate precursor covered under the Texas Controlled Substances Act, including but not limited to opiates, barbiturates, amphetamines, marijuana, and hallucinogens. The following are statements of policy that address discrimination, harassment (including non-consensual sexual contact, sexual assault, sexual exploitation, dating

---

2 Sexual harassment is a form of sex discrimination. Unwelcome sexual advances, requests for sexual favors or other verbal, nonverbal or physical conduct of a sexual nature constitute sexual harassment when this conduct is so severe, persistent or pervasive that it explicitly or implicitly affects an individual’s employment, unreasonably interferes with an individual’s work or educational performance, or creates an intimidating or hostile work, educational, or campus living environment. Unwelcome means that an individual did not request or invite it and considers the conduct to be undesirable or offensive. Submission to the conduct or failure to complain does not always mean that the conduct was welcome. Sexual harassment may be quid pro quo (“this for that”) or may constitute a hostile environment. Sexual harassment includes non-consensual sexual contact, sexual assault, sexual exploitation, stalking, dating violence, and domestic violence when based on sex.
violence, domestic violence, stalking, quid pro quo and hostile environment sexual harassment), complicity, and retaliation as prohibited conduct. The policies apply whether the prohibited conduct occurs on or off campus and when it is reported to the university.

**Procedures for Reporting Sexual Assault, Dating Violence, Domestic Violence, Stalking, and Related Retaliation**

Individuals have the option of notifying on-campus and local law enforcement authorities to report sexual assault, dating violence, domestic violence, or stalking. Below is a list of local law enforcement agencies. Reports should be filed with the agency where the incident occurred.

The Houston Police Department is available to receive and investigate reports of sexual assault, dating violence, domestic violence, and stalking, assist in securing medical attention; participate in evidence preservation and collection; conduct criminal investigations of crimes; and inform the individual of legal and administrative options both on and off campus. Criminal investigations may occur independent from a conduct proceeding and are handled in accordance with the Texas Penal Code, the Texas Code of Criminal Procedure, and information from the Harris County District Attorney’s Office. Law enforcement will help individuals understand the process of obtaining protective orders, restraining orders, or similar lawful orders issued by the courts.

Employees and student workers who observe or become aware of prohibited conduct must promptly report all known information, including identities of witness and involved parties, to the university.3 Student workers are not required to report prohibited conduct if the student worker observes or becomes aware of the prohibited conduct outside the context of their student worker employment. Employees and student workers who experience prohibited conduct are strongly encouraged, but not required, to report the prohibited conduct to the university. Additionally, students and third parties are strongly encouraged, but not required, to report prohibited conduct. Notwithstanding the above mandatory reporting requirement for employees, anyone may report matters which they believe are criminal to the appropriate local law enforcement agency.

At MBS CityCentre, reports that a student, employee, or third party has engaged in prohibited conduct should be made to the Department of Civil Rights and Equity Investigations (CREI) as follows:

**Assistant Vice President and Title IX Officer**

Medical Sciences Library  
202 Olsen Blvd., Suite 007  
College Station, TX 77843  
979-458-8407  
civilrights@tamu.edu

---

3 Exceptions include confidential employees and are described in the “Confidentiality/Privacy” section of this report.
CREI’s Assistant Vice President and Title IX Officer is responsible for (1) overseeing the process of responding to allegations of prohibited conduct and (2) identifying and addressing any patterns or systematic problems that arise from the review of such complaints. The Assistant Vice President and Title IX Officer or designee shall decide whether this policy shall be applied to such allegations of prohibited conduct on a case by case basis. The decision of the Assistant Vice President and Title IX Officer is final and unappealable. Some conduct, while inappropriate, does not rise to the level of prohibited conduct. These behaviors are addressed by the appropriate disciplinary authority, e.g., Department Head, Student Conduct, Human Resources, etc., under rules or regulations other than this policy.

CREI is the department designated by the university to receive and investigate all reports alleging prohibited conduct against students, employees and third parties. However, reports that the Texas A&M President, or an employee who reports directly to the President, has engaged in prohibited conduct should be made to the Texas A&M System Ethics and Compliance Office (SECO) as follows:

SECO
301 Tarrow, 6th floor
College Station, TX 77843
979-458-6120
civilrightsreporting@tamus.edu

Additional options for reporting include the following.

Individuals wishing to submit an anonymous report may do so through Tell Somebody, an electronic reporting option. Anonymous reporting may also limit the university’s ability to respond to the allegation.

Individuals may file a complaint at any time with any local, state or federal civil rights office, including, but not limited to, the Equal Employment Opportunity Commission, the Texas Workforce Commission’s Civil Rights Division, the U.S. Department of Education’s Office of Civil Rights and the U.S. Department of Justice.

CREI has procedures in place to inform individuals of their rights to file criminal charges as well as the availability of services on and off campus. A complainant may request assistance from and/or will be assisted by CREI in notifying law enforcement authorities if the complainant so chooses. A report to law enforcement is separate from a report to the university. An individual wishing to simultaneously pursue a law enforcement investigation and a university resolution of prohibited conduct should make a report to both entities. Individuals are notified of their right to report the incident to local police immediately, but always have the right to decline to notify such authorities. Reporting to law enforcement does not preclude an individual from pursuing disciplinary remedies with the university.

Although a report of prohibited conduct may be made at any time, regardless of when the conduct occurred, a report should be filed as soon as possible after the actions that caused the report. Prompt reporting assists investigators in the collection and preservation of evidence.

The filing of a report will not stop, delay, or affect pending personnel or disciplinary actions. This includes, but is not limited to, performance evaluations or disciplinary actions related to an employee or student who is not performing at acceptable levels or standards or who has violated policies, regulations, or university rules.

process or judicial proceeding arising from a report of such incident: (1) is immune from civil liability and from
criminal liability for offenses punishable by fine only, that otherwise might be incurred or imposed as a result
of those actions; and (2) may not be subjected to any disciplinary action by the institution at which the person
is enrolled or employed for any violation by the person of the institution’s code of conduct reasonably related
to the incident for which suspension or expulsion from the institution is not a possible punishment.

The university’s response to allegations of prohibited conduct will be prompt and equitable. The response is
intended to stop/prevent recurrence of any prohibited conduct and remedy discriminatory effects of the
conduct, as appropriate. A substantiated allegation of prohibited conduct will result in disciplinary action, up
to and including termination of employment or separation from the university. Third parties who commit
prohibited conduct may have their relationship with the university terminated and/or their privileges of being
on university premises withdrawn.

CREI conducts an initial review and preliminary assessment of all reports/complaints of alleged prohibited
conduct to assess the safety and well-being of the complainant, respondent, and the campus community. As
part of the initial review, CREI will attempt to meet with the complainant to obtain more information about
the allegations within 5 business of receiving a report or complaint, or as soon as reasonably practical thereafter.
Initial review steps include: (1) informing the individual reporting of the right to file a complaint with law
enforcement (if applicable) in addition to filing a complaint with CREI, (2) providing assistance in notifying
appropriate law enforcement authorities if the individual so chooses, (3) informing the individual of the right
to decline to contact law enforcement, and (4) informing the individual of the right to file a complaint with
state and federal agencies. In coordination and consultation with other university officials, CREI will offer the
opportunity to request interim supports, academic adjustments, and protective measures to provide for the
safety of the individual and campus community.

CREI will also take steps to advise about (1) the importance of preserving evidence, if applicable, that could
assist in proving that a criminal offense occurred or may be helpful in obtaining a protective order or assist in
the investigation, (2) the university’s procedures for investigation and resolution, and (3) the university’s
prohibition against retaliation. At this time, CREI will determine whether the complainant is a minor, elderly,
or disabled and, if required, contact the appropriate agency in accordance with the Texas law.

CREI provides a written notification of available resources, rights, and options to each individual reporting
prohibited conduct, including sexual assault, dating violence, domestic violence, and stalking (whether the
offense occurred on or off campus) regardless of whether the individual chooses to report the incident to local
law enforcement or chooses to pursue institutional disciplinary measures or criminal remedies. The handout
includes information regarding:

- the importance of preserving physical evidence that may assist in proving that the alleged criminal
  offense occurred or may be helpful in obtaining a protective order;
- procedures about how and to whom the alleged offense should be reported;
- the option to notify proper law enforcement authorities including on-campus and local police;
- the option to be assisted by campus authorities in notifying law enforcement if the individual chooses;
- the option to decline to notify such authorities;
- the rights of individuals and the institution’s responsibilities for orders of protection, no contact orders
  (no contact restrictions), restraining orders, or similar lawful orders issued by criminal, civil, or tribal
  court or the institution;
- information about how the institution will protect confidentiality;

5 An individual who is alleged to have discriminated against another.
- existing on-campus and community resources/contacts (counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available to students, faculty, and staff)
- the options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures;
- protection from retaliation; and
- an explanation of procedures for institutional disciplinary action in cases of alleged sexual assault, dating violence, domestic violence, and stalking.

**Guidelines or Suggestions to Follow After an Incident of Sexual Assault, Dating Violence, Domestic Violence or Stalking (as applicable to the specific incident)**

- Go to a safe place as soon as you can.
- Contact the Police Department at 911
- Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action. A specialized group called the Forensic Nurse Response Team located at Memorial Hermann - Texas Medical Center (713-704-1261) provides comprehensive care 24 hours a day to patients experiencing interpersonal violence issues. Baylor Scott & White Medical Center in College Station is the Brazos County community’s designated forensic nursing facility offering a 24/7 program with trained Sexual Assault Nurse Examiners (SANE) and a forensic unit (979-207-0100, [https://www.bswhealth.com/specialties/forensic-medicine/](https://www.bswhealth.com/specialties/forensic-medicine/)). Both groups offer detailed physical examinations, evidence collection, and expert testimony. Go to the hospital’s emergency room and request to be seen by a SANE.
- Try to preserve all physical evidence. Do not wash, use the toilet, swim, brush teeth, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.
- Preserve evidence by saving text messages, instant messages, social networking pages, communications, pictures, or other documents, if any, that would be useful to police or investigators.
- Personnel are available to help explain your options, give you information, and provide emotional support. Personnel include: MBS CityCentre Campus Administrator 281-809-4604; Houston area services: Houston Area Women’s Resource Center rape crisis hotline 713-528-7273 and domestic violence hotline 713-528-2121; main campus and College Station area services: CREI 979-458-8407, Student Assistance Services 979- 845-3113, Counseling and Psychological Services (CAPS) 979-845-4427, University Police Victim Services 979-458-9767, Work/Life Solutions Program by GuidanceResources 1-866-301-9612, Brazos County Sexual Assault Resource Center 979-731-1000.

**Medical Treatment (as applicable to the specific incident)**

It is important to seek immediate and follow-up medical attention for several reasons: first, to assess and treat any physical injuries sustained; second, to test for sexually transmitted infections or pregnancy and treat or take preventive measures; and third, to gather and preserve evidence that may assist in proving that the alleged criminal offense occurred or is occurring or may be helpful in obtaining a protective order. Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished. If individuals do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infection.
Confidentiality/Privacy

Students and employees have the option to disclose confidentially to individuals designated as confidential employees. Confidential employees include, but are not limited to, licensed health care providers and professional psychologists/counselors who receive reports when acting in this capacity as part of their official employment. When an individual shares information with a confidential employee, the confidential employee will not reveal the information to any third party except when an applicable law or a court order requires or permits disclosure of such information. However, such information could be disclosed when: (1) the individual gives written consent for its disclosure; (2) there is a concern that the individual will likely cause serious physical harm to self or others; or (3) the information concerns conduct involving suspected abuse or neglect of a minor under the age of 18, the disabled, or the elderly.

Additionally, allegations of prohibited conduct disclosed to confidential employees will not be reported to the institution, except as required by law. Publicly available recordkeeping must not include personally identifying information. Incidents are shared in a way that does not identify the individuals. For example, licensed healthcare providers share de-identified information regarding this conduct that may be statistics in the Clery Annual Security Report and/or disclosed in the daily crime log without identifying the individuals concerned.

MBS CityCentre students and employees can access the main campus CAPS (979-845-4427) and the Work/Life Solutions Program by GuidanceResources (1-866-301-9612) which are confidential licensed mental health counseling services available to students and employees, and the employee’s benefits-eligible dependents respectively.

While the university wishes to create an environment in which individuals feel free to discuss concerns and make complaints, the university may be obligated to take action when its officials are informed that prohibited conduct may be occurring. Information is considered private but not confidential when shared with university personnel and officials who do not possess a legal confidentiality exemption. Although the confidentiality of information received, the privacy of the individuals involved, and the wishes of the reporting party, complainant, and/or respondent cannot be guaranteed, they will be protected to as great a degree as is legally possible.

The university is committed to protecting the privacy of reporting parties, complainants, and respondents. Given the sensitive nature of reports, information will be maintained in a secure manner and will only be disclosed to school officials who are responsible for handling the university’s response. The expressed wishes of the reporting party, complainant, and/or respondent regarding privacy will be considered by CREI or designee in the context of the university’s obligation to act upon the complaint and the right of the charged party to be informed about the charges against them. CREI or designee is responsible for evaluating requests for privacy and informing complainants of their right to use a pseudonym in university documents related to the complaint. If the individual does not disclose any identifying information about him/herself or any other party involved (e.g. names, department, or unit) during the inquiry, the university’s ability to respond to the allegations may be limited.

6 Personally identifying information is defined as individually identifying information for or about an individual, including information likely to disclose the location of a victim of domestic violence, dating violence, sexual assault, or stalking, regardless of whether the information is encoded, encrypted, hashed, or otherwise protected, including a first and last name; a home or other physical address; contact information (including a postal, email, or internet protocol address, or telephone or facsimile number); a social security number, a driver’s license number, passport number or student identification number; and any other information, including date of birth, racial or ethnic background, or religious affiliation that would serve to identify any individual.

7 Private - that which affects, characterizes, or belongs to an individual person, as opposed to the general public. With respect to this regulation, private means restricting information to those with a reasonable need to know.
Although individuals reporting sexual assault are not required to file criminal charges, the following program is offered in the State of Texas. In accordance with the Texas Code of Criminal Procedure, Chapter 57, when reporting certain sex offenses to a Texas law enforcement agency, victims may use a pseudonym to protect their identity. The offenses applicable to this program are identified in Chapter 62 of the Texas Code of Criminal Procedure, defined by the Texas Penal Code, and include sexual assault. The pseudonym will replace the victim’s name in all public files and records concerning the offense, including police records, press releases, and records of judicial proceedings.

**Resources, Rights, and Options**

Following an allegation of sexual assault, dating violence, domestic violence, stalking, and/or related retaliation the complainant, the respondent, and other affected individuals have certain resources, rights, and options available to them. Parties with an inquiry or complaint are informed of resources, rights, and options in writing when CREI or other designees receive notification of an incident whether it occurred on or off campus and regardless of whether the individual elects to pursue a criminal complaint or disciplinary measures. Other designees include personnel who are likely to receive reports of prohibited conduct in the Division of Student Affairs, Division of Human Resources and Organizational Effectiveness or the Campus Administrator at MBS CityCentre. Available assistance is also covered through prevention and awareness education. Additional information about any of the resources, rights, and options discussed in this section can be requested from CREI.

MBS CityCentre does not currently provide on campus counseling, mental health, or other services in response to reports of dating violence, domestic violence, sexual assault, or stalking. However, the complainant, the respondent, and other affected individuals are provided written explanation of their options and available resources on the main campus and in the community. The following are resources located at the main campus, in the main campus community, and in the Houston community that may be available to complainants, respondents, and others.

Institutional Rights and Options (Interim Measures)
The institution is obligated to offer and provide assistance to the complainant, the respondent, and other affected individuals in obtaining a range of accommodations, support services, academic adjustments, and interim, remedial, and protective measures. The measures are intended to facilitate continued access to university employment, academic programs, and university activities; stop and prevent the reoccurrence of prohibited conduct; and support the individuals involved.

The institution is obligated to comply with the individual’s reasonable request for a living and/or academic situation change following an allegation of sexual assault, dating violence, domestic violence, or stalking. Upon the request of an individual involved with the report, CREI (979-458-8407) can assist with measures including, but not limited to, changing academic, living, transportation, and working situations and obtaining no contact directives. The various options are provided on a temporary or permanent basis (subject to periodic review), if requested, appropriate, and reasonably available, regardless of whether the individual chooses to report the incident to law enforcement or pursue disciplinary remedies. The university also provides reasonable interim,
remedial, and protective measures to third parties as appropriate and available, taking into account the role of the third party and the nature of any contractual relationship with the university.

When an allegation of sexual assault, dating violence, domestic violence, or stalking is made, the institution will take prompt steps to provide interim measures before the investigation. These measures may be available regardless of whether a formal disciplinary investigation is pursued. The university will maintain the privacy of a person receiving support services, academic adjustments, or protective measures provided to the extent practical and will promptly address any violation of the protective measures. In determining which institutional measures to impose and the reasonableness of the related measures, CREI considers the request; the safety of the complainant, respondent, and the university community; the specific needs of the individuals; the severity or pervasiveness of the allegations; continuing effects; sharing of residence halls, dining halls, classes, transportation, or job locations; other judicial measures already in place; and other factors as appropriate. CREI will also consider whether requesting an interim suspension or interim restriction (for student respondents) or an interim administrative action such as a leave of absence (for employee respondents) would enhance the safety and well-being of the complainant, respondent, and campus community.

Measures provided by the institution vary and may include, but are not limited to, the following.

- Changing on-campus living situations including obtaining emergency housing or moving into another residential facility
- Providing academic accommodations such as transferring, withdrawing, or retaking classes; postponing due dates; or rescheduling exams or assignments
- Changing work schedules, job assignments, work locations, or other arrangements
- Transportation and parking assistance and/or modification
- Assistance in obtaining access to medical, legal (protective orders and criminal trespass warnings available through law enforcement and the judicial system), counseling support, and financial aid guidance
- Imposing institutional no-contact directives as described below
- Imposing interim suspensions of students as described below
- Obtaining interim administrative actions for employees, such as a leave of absence as described below
- Imposing institutional interim restrictions9 on students including restrictions in representing the university, and/or restriction of participation in university affiliated organization meetings, events, and/or activities

No-contact Directive: A no contact directive is an interim measure issued by the institution that prohibits two parties from contacting one another through any means. No contact directives can be issued in addition to court ordered protection but may also serve as an alternative for those who do not want to seek a court order. A complainant or a respondent can request a no-contact directive through the CREI at 979-458-8407. CREI may issue a no-contact directive at any time prior to or during a conduct investigation based on information provided by the requestor. A no-contact directive may also be implemented as a sanction subsequent to a finding of responsibility. If good cause for a no-contact directive is determined, both parties are notified of

---

9 Interim restrictions may be imposed (1) when a student has been interim suspended; (2) when a determination is made to implement a transcript hold under Texas A&M System Regulation 11.99.02; and/or (3) in instances when the student’s participation or representation would threaten or negatively impact other students who are participating and/or representing an organization or the university. When interim restrictions are imposed, a student will be notified in writing of the specifics of the restrictions and why the restrictions are being implemented. Restrictions will remain in place through a designated time period and/or, if not indicated, until the student is notified that the restriction has ended.
the restrictions in writing. Records are maintained in the student conduct system for no-contact directives involving students.

Individuals should be aware that direct contact, refusal to leave a protected area, appearing at a location one reasonably knows the protected party is at, third-party contact, or even an anonymous contact are all potential violations of a no-contact directive. Violations should be reported to CREI and may result in further disciplinary action.

_Interim Suspensions of Students:_ A student may not be expelled or suspended prior to a decision of responsibility for prohibited conduct or for other violations of university rules, policies, regulations, codes, or SAPs except when the Dean of Student Life believes that an interim suspension should be imposed.

Interim suspensions may be imposed only to ensure the safety and well-being of members of the university community or guest, or preservation of university property; to ensure the student’s own physical or emotional safety and well-being; and/or if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the university.

If the Dean of Student Life issues an interim suspension, a show cause hearing will be scheduled as soon thereafter as practicable. The student will be notified in writing of this action and the reasons for the interim suspension. The notice will include the time, date, and place of a subsequent conference at which the student may show cause as to why his/her continued presence on the campus does not constitute a threat. The student may also contest whether the facts of the initial report are accurate.

The Dean of Student Life works in collaboration with appropriate MBS CityCentre administrators to implement the interim suspension. During the interim suspension, a student may be denied access to campus housing and/or the campus (including classes) and/or all other university activities or privileges for which the student might otherwise be eligible.

The interim suspension does not replace the investigation and resolution process. The investigation and resolution process shall proceed as outlined in this policy, except that the timelines referenced in this policy may not be followed and the allegations will be resolved as soon as possible.

_Interim Administrative Actions for Employees:_ In accordance with university rules and SAPs, CREI may request that an employee be placed on leave during the investigation and resolution process. CREI may also issue interim restrictions to an employee, which include, but are not limited to, contact restrictions (no-contact directives); representation of the university; “no trespass” orders, etc. Such interim actions will remain in place as specified in a notification to the employee or until the allegations are resolved.

_Confidentiality/Privacy of Accommodations and Protective Measures (includes interim measures):_ The university will maintain as private any accommodations or protective measures provided to the extent that maintaining such privacy would not impair the ability of the institution to provide the accommodations or protective measures. CREI is responsible for determining what information and to whom information will be disclosed based on the circumstances of the allegation, the individuals involved, and related safety needs. CREI uses discretion and only discloses information to key officials at the institution who perform the tasks necessary for obtaining or providing the particular accommodation or protective measure. The identity of an alleged victim of sexual harassment, sexual assault, dating/domestic violence, or stalking may only be disclosed to: (a) persons employed or under contract with the institution, who are necessary to conduct an investigation of the report or any related hearings; (b) a law enforcement officer as necessary to conduct a criminal investigation of the report; (c) the person or persons alleged to have perpetrated the incident, to the extent required by other law;
or (d) potential witnesses to the incident as necessary to conduct an investigation of the report. Other areas receiving information related to supportive measures may include, but are not limited to: Offices of the Dean of Student Life, Scholarships and Financial Aid, Human Resources, MBS CityCentre Campus Administrator, academic departments (direct supervisor, Dean, or Associate Dean), or non-academic departments (direct supervisor, Vice President, or designee). Prior to disclosure, CREI will receive consent to disclose the identity of the alleged victim, inform the individual of the information that will be shared, with whom it will be shared, and why.

Legal Rights and Options
The institution provides information and assistance to the complainant, the respondent, and other affected individuals in obtaining lawful orders issued by a criminal, civil, or tribal court including protective orders and criminal trespass warnings as discussed below. Failure to comply with any of the terms of lawful interim protective measures may be considered a separate violation in the institutional disciplinary proceeding.

Protective Orders: Individuals are may apply for protective orders through the Texas criminal justice system. A protective order is an interim protective measure that requires the recipient to stay away from the protected individual's home, workplace, and/or children’s schools (if the children are protected persons in the order) depending on the documented circumstances. It can require the recipient to stop communicating with the protected individual in a harassing or threatening manner, attend counseling, pay child support, and/or pay spousal support. An application for a protective order may be filed by an individual, a prosecuting attorney, or the Texas Department of Family and Protective Services (1-800-252-5400) on behalf of an individual. The application is obtained through the district attorney (Harris County District Attorney’s Office – Family Criminal Law Division, 713-755-5888) or a private attorney. Information about forms associated with applying for a protective order are found on the following webpage: http://www.houstontx.gov/police/fvu/po.htm

The application for a protective order must be filed in either the county where the applicant lives or the county where the recipient lives. The applicant’s address can be kept confidential. If the legal criteria for a protective order is met, the county or district attorney’s office will prepare and file all of the paperwork necessary to request a protective order from a court. Such orders provide effective tools for law enforcement when they are called upon to protect an individual and their family. Additionally, an emergency protective order may be recommended and automatically issued by the court following the original report and arrest of the respondent. A hearing is held at a later date to determine if the order should be extended or modified.

Local law enforcement agencies are notified of all existing protection orders in their area. If the requestor or other institutional personnel become aware that a protective order is violated, local law enforcement should be contacted immediately. CityCentre Security (713-461-0758) can assist with this process. Responding agencies can be contacted for protective order violations including Houston Police (713-884-3131) or the Harris County Sheriff’s Department (281-647-9371). Violating protective orders generally carry authority for the violator’s immediate arrest.

Criminal Trespass Warning: A criminal trespass warning is an interim protective measure issued by the Houston Police Department directed at those who are considered a danger to the campus community or a danger to a certain individual in the campus community. The warning advises the respondent to leave the premises and forbids him/her from entering and/or remaining on certain property which can cover either the entire campus or a specific campus location. To request a criminal trespass warning, contact Houston Police at 713-884-3131 and request to speak with an officer. The officer issues the criminal trespass warning if the respondent is determined to pose a risk to campus safety based on information provided by the requestor as it relates to applicable state law. When the warning is issued, the officer is responsible for providing notice to the requestor and the person receiving the warning.
Law enforcement officers are notified of criminal trespass warnings that exist in their area. If a criminal trespass warning is violated, Houston Police should be contacted immediately at 713-884-3131. A violation of the criminal trespass warning occurs when the individual is issued a warning but refuses to leave campus or is subsequently found in a prohibited area based on the trespass warning. The requestor and other institutional personnel should take appropriate action by contacting Houston Police for a responding officer when they become aware of a potential violation of a criminal trespass warning. Houston Police generally enforces these warnings by charging violators with criminal trespass resulting in arrest and/or fine.

If the complainant, respondent, or member of the university community has obtained an order of protection, civil no-contact order, or similar order from a court as described in this section, against another member of the university community, a copy of the order should be provided to the Chief Risk, Ethics, and Compliance Officer. In conjunction with the Houston Police Department and other university officials, the Chief Risk, Ethics, and Compliance Officer will take all reasonable actions authorized by law to implement the order.

Other Legal Options: The TAMU Police Department’s Community Services Division (979-845-0070) and the Houston Police Department’s Victim Services Unit (713-308-0080) are available to provide information about personal safety, Texas Crime Victim’s Rights, Texas Crime Victims Compensation Fund and other information upon request. Or visit the Office of the Texas Attorney General’s website at: https://www.texasattorneygeneral.gov/cvs/crime-victims-compensation.

Investigations and Disciplinary Proceedings for Sexual Assault, Dating violence, Domestic Violence, Stalking, and Related Retaliation
Proceedings from an allegation of sexual assault, dating violence, domestic violence, or stalking (prohibited conduct) are provided in a prompt, fair, and impartial manner from the initial investigation to the final result, including any appeals. They are consistent with the institution’s policies and transparent and equitable to the complainant and respondent. The investigation provides that:

- Timely and equal access to any information that will be used during informal and formal disciplinary meetings and hearings will be provided to the complainant, respondent, and appropriate officials.
- During the investigation the complainant and respondent have timely notice of meetings at which the complainant or respondent, or both, may be present.

Individuals conducting investigations and other decision makers, at a minimum, receive training annually regarding university rules and procedures and handling of civil rights investigations. Investigators receive additional training in regards to conducting fair and impartial investigations including trauma-informed investigation techniques, due process protections, and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Employees and student workers who observe or become aware of prohibited conduct must promptly report all known information, including identities of witness and involved parties, to the university. Student workers are not required to report prohibited conduct if the student worker observes or becomes aware of the prohibited conduct outside the context of their student worker employment. Employees and student workers who experience prohibited conduct are strongly encouraged, but not required, to report the prohibited conduct to the university. Additionally, students and third parties are strongly encouraged, but not required, to report prohibited conduct. Once an individual discloses information to CREI, a complaint will be considered to be

10 For the purposes of this section, proceeding means all activities related to a non-criminal resolution of an institutional disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings, and hearings. Proceeding does not include communications and meetings between officials and the complainant, the respondent, and other affected individuals concerning accommodations or protective measures.
filed with the university, and the institution’s process is initiated regardless of whether the complainant choses to pursue criminal charges.

The complaint regarding prohibited conduct is initially reviewed by CREI, not only to assess safety, but also to determine whether a potential violation of the System Regulation 08.01.01 or other university rule, SAP, code, or policy could have occurred. During the initial review and preliminary assessment CREI will:

- Inform the complainant formal resolution policies and solicit the complainant’s preferred method for resolving the matter. The complainant may request a formal resolution of the allegations of prohibited conduct or may request “no resolution” of the allegations or prohibited conduct.
- If applicable, inform the complainant of the right to use a pseudonym in university documents related to the complaint.
- Offer assistance to the complainant in submitting a written complaint that details the nature and circumstances of the allegations, including the names of the complainants and respondents, if so inclined.

If a complaint alleges conduct that may be prohibited conduct as well as a violation of one or more rules, SAPs, regulations, codes, or policies, CREI will consult with other university officials, as appropriate, and coordinate procedures to resolve the allegations in addition to those required by this policy. CREI may elect to resolve all the allegations in one proceeding under this policy, or CREI may elect to refer one or more of the allegations to other university administrators for resolution apart from this policy.

**No Resolution**

If the complainant requests that no resolution of the allegations occur, the university will seek to honor the request whenever possible without impeding the university’s ability to enhance the safety and security of the complainant and the university community. CREI will consider the following factors when evaluating such requests:

- All of the known circumstances, including any corroborating evidence;
- The nature and scope of the alleged conduct, including whether the reported behavior involves the use of a weapon;
- The respective ages and roles of the complainant and respondent;
- Whether there have been other reports of prohibited conduct or other misconduct by the respondent;
- Whether the report reveals a pattern of misconduct related to prohibited conduct (e.g. via illicit use of drugs or alcohol) at a given location or by a particular group;
- Fairness considerations for both the complainant and the respondent;
- Whether the university possesses other means to obtain relevant information and evidence;
- The university’s obligation to provide a safe and non-discriminatory environment;
- Admissions of responsibility by the respondent, if any; and
- The impact of honoring the request on the complainant and the university community, including the risk of additional violence.

If the university is able to honor the complainant’s request for no resolution, the university may close the matter with no action taken, or the university may proceed with other appropriate steps, including investigation and disciplinary action against the respondent for violations of other rules, SAPs, regulations, policies, or codes, if applicable.
If the university determines that the complainant’s request cannot be honored, the complainant will be notified of the decision, and CREI will take appropriate actions, including but not limited to, (1) offering support services or academic adjustments and imposing protective measures and (2) initiating a formal investigation.

**Formal Resolution**

The allegations will be considered for investigation pursuant to the following procedures. CREI reserves the right to resolve the complaint through no resolution rather than a formal investigation if the allegation does not rise to the level of prohibited conduct.

Within 5 business days of the receipt of a report, or as soon as practicable thereafter, CREI may consult with the Texas A&M University System Office of General Counsel (OGC) as needed and make a preliminary determination about whether to conduct a formal investigation of the allegations. The preliminary determination may include, but is not limited to, the following:

- An assessment of whether there is sufficient known or obtainable information to proceed with an investigation of the complaint;
- An assessment of whether the allegations are baseless;
- An assessment of whether the allegations, if true, would constitute prohibited conduct; and/or
- An assessment of whether a complainant’s request for no resolution may be honored.

If it is determined that there is insufficient information to proceed with an investigation; or that the allegations are baseless; or that the allegations, if true, would not constitute prohibited conduct; or, that an investigation will not occur due to the complainant’s request for no resolution, CREI may, after consultation with OGC, dismiss the complaint or refer the report to a different office at the university. The university office may review the conduct and take disciplinary action against the respondent for violations of other university rules, codes, regulations, policies, or SAPs, if applicable.

Once it has been determined that the university will proceed with a formal investigation, CREI will appoint the Investigative Authority (IA)\(^{11}\) to initiate the process of determining whether a violation of System Regulation 08.01.01 or other university rule, SAP, code, or policy occurred.

Within 2 business days of the IA’s appointment, the Assistant Vice President and Title IX Officer (or designee) shall simultaneously notify the complainant(s) and respondent(s) in writing of the commencement of the investigation. The notice of investigation will include:

- the identity (or pseudonym, if requested and applicable) of the complainant and the respondent;
- the date, time (if known), location, and nature of the alleged misconduct;
- the regulation(s), policy(s), rule(s), SAP(s), or code(s) alleged to have been violated and a copy of the Texas A&M University SAP 08.01.01.M1.01, Investigation and Resolution of Allegations of Prohibited Conduct Against Students, Employees, and Third Parties (SAP 08.01.01.M1.01);
- the identity of and contact information for the IA;

---

\(^{11}\) The IA is one or more trained individuals appointed to conduct a formal investigation to discover and examine the facts related to an allegation. The IA may also draw conclusions as to whether, based on the preponderance of the evidence, an allegation is substantiated, unsubstantiated, or that there is insufficient information to substantiate. The IA may also draw conclusions as to whether or not any other regulations, codes, policies, rules or SAPs were violated.
• the identity of the Designated Administrator (DA) and Appellate Authority (AA); ¹²
• an explanation of the prohibition against retaliation;
• an instruction to the parties to preserve any potentially relevant evidence in any format;
• information about the university’s process for challenging the neutrality or bias of the IA, DA, or AA;
and
• a redacted copy of the written complaint, if any, with appropriate admonishments about privacy.

If the complainant has requested that a pseudonym be used in the university’s paperwork, the respondent will be verbally notified of the complainant’s name at the respondent’s intake meeting. The notice will also include an assurance that the parties will be kept apprised of the status of the investigation and resolution process and provide a contact person for the party to contact for periodic update.

CREI is responsible for all administrative actions required to conduct the investigation. These include, but are not limited to, informing the parties of extensions or other delays affecting the investigation, contacting supervisors or faculty regarding their employees’ or students’ time away from work or class to participate in the investigative process, making reports to university administrators, and other responsibilities necessary to properly conduct the investigation.

To the extent possible, the investigation will be conducted in a manner that protects the privacy of all parties involved. While the university cannot guarantee complete privacy, information collected during the investigation will be communicated only to the parties and those with a need to know in order to fulfill the purposes of university policies and to comply with applicable laws.

If the respondent is an employee, the Assistant Vice President and Title IX Officer (or designee) shall notify, in writing, the respondent’s department head that CREI is investigating an allegation that the respondent has engaged in conduct that may be a violation of System Regulation 08.01.01 or other university rules, SAPs, codes, or policies.

The IA will review the complaint, conduct a prompt, fair, thorough, and impartial investigation, and provide a draft investigation report for OGC review within approximately 30 business days from the issuance of the notice of investigation. Circumstances may warrant extensions to this timeframe. Abuse of the investigation and resolution process is subject to disciplinary action up to and including dismissal or separation from the university. Examples of abuse of process include, but are not limited to:
• Failure to appear at a meeting, interview, hearing, or conference as set forth in a notice issued by CREI;
• Falsification, distortion, destruction, or misrepresentation of evidence or information;
• Disruption or interference with the orderly conduct of an investigation, interview, meeting, hearing or conference;
• Intentionally initiating or causing a false report to be initiated;

¹² The DA reviews the investigation report, the documentary evidence, and any other relevant information and renders a written decision of responsibility based on the preponderance of the evidence as to 1) whether the conduct alleged occurred; and 2) whether each allegation has been substantiated, unsubstantiated, or that there is insufficient information to substantiate that the respondent violated System Regulation 08.01.01. The DA may also render a written decision as to whether other regulations, codes, policies, rules or SAPs were violated. If violation(s) are found, the DA may issue sanctions. If the complainant or the respondent appeals the DA’s decision, the AA will review the investigation report, the DA’s decision, the documentary evidence, and any other relevant information and render a written decision on the appeal. All persons serving as DAs, AAs, and IAs will be impartial and free of conflicts of interest against the complainant or the respondent. Parties who are concerned about the impartiality of an individual serving in one of these roles should submit their concerns, in writing, to the Chief Risk, Ethics, and Compliance Officer (civilrights@tamu.edu) who may designate alternative individuals to fulfill any of these roles. If the concern is in relation to the Chief Risk, Ethics, and Compliance Officer serving in one of the capacities, the Vice President for Finance will have the option of designating a replacement.
• Attempting to discourage an individual’s proper participation in, or use of, the investigation and resolution process, disciplinary process, or legal process;
• Attempting to influence the impartiality of the IA, AA, or DA prior to, and/or during the course of the investigation and resolution process;
• Verbal or physical intimidation, and/or retaliation of any party to the investigation and resolution process prior to, during, and/or afterwards;
• Failure to abide by the terms of university administered sanctions;
• Influencing or attempting to influence another person to commit an abuse of the investigation and resolution process; and/or
• Failure to cooperate fully with the IA (applies to employees only).

Students, employees, and third parties who are found responsible for abuse of the investigation and resolution process are subject to the sanctions as described in this policy.

During the investigation, the complainant and the respondent will have an equal opportunity to be heard, submit information and corroborating evidence, identify witnesses who may have relevant information, and submit questions to be asked of the other party. Questions for the other party will be asked by and at the discretion of the IA. The IA will meet separately with the complainant, the respondent, and any witnesses, and will gather other relevant and available evidence and information. The IA may also consult medical, forensic, technological, or other experts when expertise is needed in order to achieve an understanding of the issues under investigation.

Witnesses must have observed the acts in question or have information relevant to the incident in order to participate in the process. A witness cannot participate solely to speak about an individual’s character. However, a respondent may provide letters or other written testimonials to the IA that include information about the respondent’s character, which will be provided to the DA after a decision on responsibility has been made but before sanctions, if any, are considered.

Investigations provide both the complainant and respondent the same opportunities to have others present during any institutional proceeding, including the opportunity to be accompanied to any related meeting or proceeding by an advisor (any individual who provides the complainant or respondent support, guidance or advice) of their choice. The advisor may be present at any time in which the party participates in the investigation and resolution process, including the filing of the complaint, the interview with the IA, and all other meetings related to the investigation and resolution of the complaint. The advisor may be any person selected by a party, including legal counsel, except that the advisor may not be another party or a witness in the case. Restrictions regarding the extent to which the advisor will participate in the proceedings may be established and applied equally to both parties. The advisor’s participation will be limited to the role of an observer, although the advisor may request a break at any point to give advice to a party. An advisor can be barred from being present during the process if, in the judgment of the IA, the DA, the AA, or the Assistant Vice President and Title IX Officer, the advisor attempts to directly address the IA, DA or AA, advocate on behalf of a party, or is otherwise disruptive. All parties, including advisors, are informed of participation restrictions before a proceeding is conducted so that parties understand and respect the limitations. Any fees charged by the advisor are the responsibility of the individual who selected the advisor.

When the university is made aware that there is a concurrent criminal investigation, CREI may inform the law enforcement agency that a university investigation is also in progress; ascertain the status of the criminal investigation; and determine the extent to which any evidence collected by law enforcement may be available to the university in its investigation.
At the request of law enforcement, the university may temporarily defer part or all of the investigation until after the initial evidence-gathering phase of the law enforcement investigation is complete. The IA will communicate with the parties (as appropriate) about the law enforcement agency’s request; the university’s obligations and supportive resources; procedural options; anticipated timing; and the implementation of any necessary interim measures for the safety and well-being of all affected individuals.

Standards for the resolution of criminal allegations are different than the standards for resolution of a violation of System Regulation 08.01.01 and/or any other university policy, rule, SAP, or code; therefore, the university will not base its decisions on any law enforcement determination and/or the outcomes of any criminal proceedings.

The IA has the sole discretion to determine the relevance of evidence and whether it should be included in or excluded from the investigation report. With respect to allegations of prohibited conduct based on sex or gender, the sexual history of the complainant or respondent is generally irrelevant and will not be used to prove character or reputation. Sexual history of the parties may be relevant in limited circumstances, such as when it aids in determining the manner and nature of prior communications of consent between the parties.

At the conclusion of the investigation, the IA will prepare a draft investigation report summarizing the relevant information gathered and outlining any relevant contested and uncontested information. The draft investigation report will not include any conclusions as to whether allegations are substantiated, unsubstantiated or that there is insufficient information to substantiate.

The complainant and the respondent will be notified that the draft investigation report is complete and will be given 5 business days to review the draft investigation report and submit a written response to the IA. CREI may extend the time to review the draft investigation report upon request for good cause. If one party is granted an extension of time to review the report, an equal amount of additional time will be granted to all other parties.

In cases that include allegations against a student respondent, the exhibits to the draft investigation report may be reviewed by the parties upon request. In cases that include allegations against an employee or third party respondent, all parties may review the exhibits to the draft investigation report without making a request.

Involved parties have the opportunity to review and respond to the draft investigation report by: (1) providing written comment or feedback, (2) submitting additional evidence or information, (3) identifying additional witnesses or requesting the collection of other information by the IA, and/or (4) suggesting questions to be asked (at the discretion of the IA) of the other parties. A party’s written response, if any, will be shared with all other parties and incorporated in the investigation report as an exhibit. If a party knows, or through the exercise of reasonable diligence, should know, of information or evidence that was not provided to the IA during the investigation, the party must provide such information or, if the party does not have access to the information, a description of such evidence to the IA during the review and respond period or such evidence will not be considered, absent good cause, in the determination of responsibility for a violation of a regulation, rule, SAP, code, or policy.

At the conclusion of the review and respond period, the IA will determine if any new or relevant information was provided by one or both of the parties. If necessary, the IA may pursue additional investigative steps and/or amend the investigation report. If the amended investigation report contains any material or substantial changes, the complainant and respondent will be given 5 business days to review the amended investigation report and submit a written response as set forth above. The opportunity to review and respond to an amended
investigation report will be extended to the complainant and respondent until the IA determines that no material or substantial changes were made to the draft investigation report.

The IA may add a conclusion for each allegation to the investigation report after the final review and responds period concludes. The conclusion will be: substantiated, unsubstantiated, or insufficient information to substantiate based on the evidence and information in the report. In addition, the IA may add a conclusion as to whether System Regulation 08.01.01 was violated, and, if appropriate, the IA may make a conclusion as to whether other regulations, policies, rules, SAPs, or codes were violated. The IA will use the preponderance of the evidence standard (i.e., more likely than not) in making conclusions. The IA will not make any recommendations or conclusions with respect to sanctions. The conclusions of the IA are merely advisory and are not the final decision with respect to responsibility.

Within 5 business days after the final review and respond period concludes, CREI will forward the investigation report, as amended with conclusions (if applicable), along with the documentary evidence and any other relevant information, to the OGC. OGC will conduct a legal review in accordance with Section 4.2.5 of System Regulation 08.01.01. OGC will provide its legal review to the IA within 10 business days. After receiving the legal review, the IA will have 5 business days to finalize the investigation report. The Assistant Vice President and Title IX Officer (or designee) will submit the final report directly to the DA, appointed in accordance with the following table, for decision-making. In cases that involve a student respondent, all parties will receive an electronic copy of the final investigation report (which does not include conclusions or exhibits) at the time the report is sent to the DA. Exhibits may be reviewed upon request in CREI’s office.

The respondent is presumed to not have engaged in prohibited conduct until the DA finds that there is sufficient evidence based on a preponderance of the evidence to find that the respondent has violated System Regulation 08.01.01 or Texas A&M University Rule 08.01.01.M1, Prohibited Conduct: Discrimination, Harassment, Complicity, and Related Retaliation based on a Protected Characteristic. If violation(s) are found, the DA may issue sanctions.
Formal resolution procedures governing non-separable allegations against students and all allegations against employees and third parties

The DA will (1) review the unredacted final investigation report, the documentary evidence, and any other relevant information; and, (2) draft a result (hereafter called decision) based on the preponderance of the evidence as to a) whether the alleged conduct occurred; and b) whether each allegation is substantiated, unsubstantiated, or there is insufficient information to substantiate that the respondent violated System Regulation 08.01.01. The DA may also decide whether the respondent has violated any other regulations, rules, SAPs, codes, or policies. If any violations of System Regulation 08.01.01 are substantiated, the draft decision will include sanctions. The draft decision may also include sanctions for substantiated violations of regulations, rules, SAPs, codes, and policies.

In the decision, the DA will state the rationale for the decision and the sanctions, if any. The decision must include any sanctions imposed by the institution. Notwithstanding section 444 of the General Education Provision Act (20 U.S.C. 1232g), commonly referred to as the Family Educational Rights and Privacy Act (FERPA), the result must include the rationale for the decision and the sanctions. The decision will also include an explanation of how the university weighted the evidence, how the evidence and information support the decision and sanctions, and how the standard of proof was applied. The final decision will include instructions for appealing the decision and/or sanctions. The decision of responsibility made by the DA does not constitute an employment action with respect to faculty and non-faculty employees. Any sanction imposed as a result of a substantiated finding, will constitute an employment action.

If the DA has substantial doubts about the thoroughness, fairness, and/or impartiality of the investigation, the DA may refer the matter back to the IA with further instructions, which could include the appointment of a different IA.

Within 5 business days of the DA’s receipt of the final investigation report, the DA will forward its draft decision, including sanctions, to OGC. Within 5 business days of OGC’s receipt of the draft decision, OGC will conduct a legal review in accordance with Section 4.4.1 of System Regulation 08.01.01 and consult, as needed, with respect to sanctioning.

Once the DA receives OGC’s legal review, the DA will then have 5 business days to finalize the decision and 1) forward notice of the DA’s decision to the parties simultaneously and in writing; and 2) in cases that involve an employee respondent, simultaneously notify the parties of their right to review a copy of the final investigation report, with conclusions and the exhibits, after receiving admonishments as to privacy and retaliation.

13 A non-separable allegation against a student is an allegation that a student engaged in conduct that does not carry a possible sanction of suspension or expulsion as per the Texas A&M Student Sanctioning Matrix or 2) has been determined by the Assistant Vice President and Title IX Officer to not be serious enough that, if true, a possible sanction of suspension or expulsion would be appropriate.

14 Result is defined as any initial, interim and final decision by any official or entity authorized to resolve disciplinary matters within the institution.

15 With respect to an allegation involving prohibited conduct based on sexual harassment, sexual assault, sexual exploitation, dating abuse/violence, domestic abuse/violence, or stalking based on sex or gender, the DA will simultaneously notify the parties, the IA, and any other university official with a need to know of any initial, interim, and final decision on the allegations and/or sanctions in writing, except when doing so would violate state or federal law (e.g., FERPA). If the allegations involve prohibited conduct other than sexual harassment, sexual assault, sexual exploitation, dating abuse/violence, domestic abuse/violence, stalking, or related retaliation the DA will simultaneously notify: (1) the complainant that an investigation of the allegations was conducted and the matter has been resolved appropriately; and (2) the respondent, the IA, and any other university official with a need to know, of the decision and/or sanctions. In all cases, the DA will also notify the parties that they can review the final investigation report with conclusions (if applicable) and exhibits in CREI’s office. The final investigation report is redacted in accordance with state and/or federal law before the parties’ review.
**Formal resolution procedures governing separable allegations against students**

The DA will (1) review the unredacted final investigation report, the documentary evidence, and any other relevant information; and, (2) conduct a live hearing to allow the parties to present witnesses, evidence or information, and to cross-examine the other parties or witnesses by submitting written questions to the DA (questions will be asked by and at the discretion of the DA). If applicable, the DA has the sole discretion to determine the relevance of evidence and whether it should be heard at a live hearing. The Rules of Evidence do not apply in a live hearing. Thereafter, the DA will announce a decision (see Footnote 14), based on the preponderance of the evidence, as to a) whether or not the alleged conduct occurred; and b) whether each allegation is substantiated, unsubstantiated, or there is insufficient information to substantiate that the respondent violated System Regulation 08.01.01. The DA may also announce a decision as to whether the respondent violated any other university regulation, code, policy, SAP, or rule.

If the DA determines that any regulations, policies, rules, SAPs, or codes have been violated, the DA will conduct a second hearing on sanctions immediately following the first hearing. The DA will receive information about and consider the following factors and accept any impact or mitigation statements as well as any information about the respondent’s character. Factors include, but are not limited to:

- the expressed wishes of the complainant(s);
- the nature of the prohibited conduct;
- the impact of the conduct on the complainant(s) and university community and the need to protect the safety of the university community;
- prior disciplinary history of the respondent;
- whether the respondent has accepted responsibility for the conduct;
- the necessity of any specific action in order to eliminate the prohibited conduct, prevent its recurrence, and remedy its effects on the complainant(s) or other university community members; and/or
- any other mitigating, aggravating, or compelling circumstances.

Thereafter, the DA will simultaneously notify the parties, in writing, of the decision on responsibility and sanctions (see Footnote 15). In the decision, the DA will state the rationale for the decision and the sanctions, if any. The decision must include any sanctions imposed by the institution. Notwithstanding section 444 of the General Education Provision Act (20 U.S.C. 1232g), commonly referred to as FERPA, the result must include the rationale for the decision and the sanctions. The decision of the DA will include how the university weighted the evidence and information contained within the investigation report, how the evidence and information support the decision and sanctions, and how the standard of proof was applied. The final decision will include information about appealing the decision and/or sanctions.

The goal is to resolve complaints in a reasonably prompt timeframe not to exceed 90 business days excluding any appeal period; however, extenuating circumstances requiring additional time may necessitate an extension with good cause. Written notice of the delay and the reason for the delay is provided to the complainant and the respondent by CREI or designee.

**Sanctioning for Employees**

If an employee is found to have sexually harassed (see Footnote 2) another member of the university or agency community, the sanction will be termination of employment. If an employee is found to have engaged in prohibited conduct other than sexual harassment, the DA may assign appropriate sanction(s) which may have

16 A separable allegation is an allegation that 1) a student respondent engaged in prohibited conduct or other violation of System regulations or university policies that carries a possible sanction of suspension or expulsion as per the Texas A&M Student Sanctioning Matrix or 2) the Assistant Vice President and Title IX Officer has determined to be serious enough, if true, a sanction of suspension or expulsion would be appropriate.
educational, restorative, punitive, and rehabilitative components. Sanctions include written warning or reprimand, required training and/or attendance at counseling, no contact directives, probation, suspension, and termination.

If an employee is found responsible for violating any other rule, policy, SAP, code, or regulation, the DA may assign appropriate sanction(s) or may refer the sanctioning to any other appropriate university administrator.

**Sanctioning for Students**

If a student is found responsible for sexual harassment, sexual assault, domestic abuse/violence, dating abuse/violence, stalking based on sex or gender, or sexual exploitation, the student will be sanctioned in accordance with the Texas A&M Student Sanctioning Matrix which is described in the following table. If a student is found responsible for violating any other university rule or System regulation, the DA will assign appropriate sanctions which may have educational, restorative, and rehabilitative components.

The Stage 4 sanction is expulsion. Stage 3 sanctions include letters of enrollment block and suspension. The Stage 2 sanction is conduct probation. Stage 1 sanctions include conduct reviews, restrictions, restitution, community/university service, educational requirements, and letters of reprimand. Texas A&M University sanctions are defined below.

**Texas A&M Student Sanctioning Matrix - Stage 4 Sanctions**

Expulsion: Separation of the student from the university whereby the student is not eligible for readmission to this University.

**Texas A&M Student Sanctioning Matrix - Stage 3 Sanctions**

Letter of Enrollment Block: A letter stating that the student may not reenter Texas A&M University without prior approval through the Offices of the Dean of Student Life or the Vice President for Student Affairs (in collaboration with appropriate MBS CityCentre administrators) if enrollment has been blocked for a previous student conduct problem.

Suspension: Separation of the student from the university for a definite period of time. The student is not guaranteed readmission at the end of such period of time, but is guaranteed a review of the case and a decision regarding eligibility for readmission. The suspension takes effect when the appeal for the offense is exhausted, waived or time limit has passed. Suspensions may be implemented in one of two ways: immediate implementation of suspension or deferred implementation of suspension. The sanction of suspension may be placed in deferred status. If the student is found in violation of any university's regulations, policies, rules, codes, or SAPs during the time of deferred suspension, the suspension takes effect immediately without further review. Additional student conduct sanctions appropriate to the new violation also may be applied. A student who has been issued a deferred suspension sanction is deemed “not in good standing” with the university.

At the end of the suspension period, the student is eligible for reenrollment. Actual admission to the university will be determined by the academic rules in place at the time of application for reenrollment.

---

17 A student who is not in good standing is subject to the following restrictions: (1) Ineligibility to hold an office in any student organization recognized by the university or to hold any elected or appointed office of the university. (2) Ineligibility to represent the university in any way, including representing the university at any official function, intercollegiate athletics or any forms of intercollegiate competition or representation. This includes events taking place both on and off of the university campus. (3) Ineligibility to receive a university administered scholarship when the length of the period of not in good standing is greater than one semester. Some scholarships adhere to more strict guidelines, and, therefore, ineligibility may result from a lesser length of not in good standing. This sanction implies a serious offense and must be uniformly applied by the office administering the scholarship upon notification by CREI. (4) Additional restrictions or conditions also may be imposed, depending on the nature and seriousness of the misconduct.
If admitted, the student is required to attend a mandatory meeting with the Office of Student Conduct (979-847-7272) prior to course registration.

**Texas A&M Student Sanctioning Matrix - Stage 2 Sanctions**

Conduct Probation: An official warning that the student’s conduct is in violation of Texas A&M University regulations, policies, rules, codes, or SAPs, but is not sufficiently serious to warrant expulsion or suspension. A student on conduct probation is deemed “not in good standing” with the university (see Footnote 17). If there is a finding of responsibility for subsequent violations of the university’s regulations, policies, rules, codes, or SAPs during this period of time, more severe sanctions may be administered.

**Texas A&M Student Sanctioning Matrix - Stage 1 Sanctions**

Conduct Review: An official warning that the student’s conduct is in violation of Texas A&M University regulations, policies, rules, codes, or SAPs, but is not sufficiently serious to warrant expulsion, suspension, or conduct probation. A student on conduct review shall have their conduct under review for a specified period of time. This sanction may require regular meetings with an appropriate official to ascertain and evaluate compliance with student rules. Additional restrictions or conditions also may be imposed, depending on the nature and seriousness of the misconduct. Students placed on this sanction remain in good standing with the university. If there is a finding of responsibility for subsequent violations of regulations, policies, rules, codes, or SAPs during this period of time, more severe sanctions may be administered.

Restrictions: The withdrawal of specified privileges for a definite period of time, but without the additional stipulations contained in the imposition of a sanction which results in a student being not in good standing. The restrictions involved will be clearly defined.

Restitution: A payment for financial injury to an innocent party in cases involving theft, destruction of property or deception. The assessed costs to be paid may be in addition to receipt of any of the above sanctions.

Community/University Service: A student may be offered an opportunity to complete a specified number of hours of community/university service. The type of community/university service must be approved by the respondent’s CREI Case Manager.

Educational Requirements: A provision to complete a specific educational requirement. Such educational requirements may include, but are not limited to, completion of an alcohol education workshop, a diversity awareness workshop, essays, reports, reflective writing assignments, etc.

Letter of Reprimand: A letter that makes a matter of record any incident that reflects unfavorably on the student or the university.

**Minimum Sanctions**

If an employee is found to have sexually harassed (see Footnote 2) another member of the university or agency community, the sanction will be termination of employment.

In addition, students found responsible for sex-based violence and/or non-consensual sexual penetration of another person will be subject to a minimum sanction of a one-year suspension, in the absence of significant mitigating factors. Students found responsible for these acts who have
demonstrated predation\(^{18}\) for the purpose of carrying out these acts will be subject to permanent expulsion.

Students found responsible for committing sex-based violence and/or non-consensual sexual penetration of another person who are allowed to return after a suspension of one year or more will be ineligible to hold an office in any student organization, ineligible to represent the university in any way (including intercollegiate athletics or other competitions, both on and off campus), and ineligible to receive an institutional scholarship, in the absence of significant mitigating factors.

**Campus Housing Sanctions**

In addition to the sanctions specified in the [Texas A&M Student Sanctioning Matrix](#), occupants of each residence hall, by majority vote, have the power to establish additional “in house” rules approved by the Department of Residence Life. Generally, “in house” rule infractions are handled by Residence Life staff. Campus housing sanctions are described below.

**Loss of Campus Housing Privilege:** Removal from university housing for conduct reasons.

**Deferred Loss of Campus Housing Privilege:** The sanction of loss of campus housing privilege may be placed in deferred status. If a student is found in violation of any university rule during the time of the deferred sanction, removal from housing takes effect immediately without further review. Additional student conduct sanctions appropriate to the new violation also may be taken. In addition, a student is ineligible to hold an elected or appointed office in any affiliated housing organization. This includes but is not limited to the following offices/positions: president, vice president, secretary, treasurer, Residential Housing Association delegate.

**Campus Housing Probation:** An official notice that the student’s conduct is in violation of residence hall rules, university apartments rules and/or university rules and that more stringent student conduct sanctions, including removal from housing, may result if future violations occur. In addition, a student is ineligible to hold an elected or appointed office in any affiliated housing organization. This includes but is not limited to the following offices/positions: president, vice president, secretary, treasurer, Residential Housing Association delegate.

**Corps of Cadets Sanctions**

In addition to any of the sanctions listed in this section, members of the Corps of Cadets are subject to disciplinary action in accordance with Corps Operations Manual.

**Appeals**

Appeals\(^{19}\) of the decision, the sanctions, or both may be made by the complainant and/or the respondent. All appeals will be confined to a review of the record from the investigation and any pertinent evidence, as well as

\(^{18}\) Predation is defined as an intent to engage in these acts prior to their occurrence demonstrating premeditation, planning or forethought, and is reflected in communicated intent (physical, verbal, visual, or written), threats directed at a party, attempts to incapacitate a party, attempts to isolate a party, utilizing violence, or other actions that a reasonable person would construe as a pre-meditation to engage in actions that are unwanted by/against the recipient. Committing any of these actions with an individual under the age of consent is also considered predatory.

\(^{19}\) Results (decision and/or sanctions) can be appealed on any of all of the following bases, as applicable: (a) a procedural error or omission that significantly impacted the outcome; (b) new evidence, unknown or unavailable during the investigation that could have significantly impacted the outcome; or (c) the appropriateness or severity of the sanctions. If an employee was found to have sexually harassed another member of the university or agency community, the appropriateness or severity of the sanction cannot be appealed.
the DA’s decision as related to the grounds for appeal. The appeal does not create an entitlement to a new investigation.

Appeals must be filed in writing and must include a statement outlining the basis for the appeal and any evidence which supports the appeal. Appeals must be filed within 5 business days of receipt of the notice of the decision and/or sanctions to be appealed. Complainants and respondents are deemed to have received notice of the decision and/or sanctions on the day that the notice is emailed to the party’s university email account or to any other email account that was provided to CREI by the party. An appeal is filed when CREI receives a copy of a written appeal at civilrights@tamu.edu.

If no appeal is filed within 5 business days of the receipt of the DA’s decision or CREI determines that the appeal does not identify one of the bases for appeal or provide credible information or evidence substantiating the identified bases for appeal, CREI will provide simultaneous notice to the parties that no valid appeal was filed and the decision and sanctions are final and the case is closed.

If a timely and valid appeal is filed by either party, the other party will be notified as soon as practical thereafter. CREI will forward the appeal and any supporting information or evidence to the appropriate AA in accordance with the following table.

<table>
<thead>
<tr>
<th>If the allegations are against a:</th>
<th>Student</th>
<th>Non-Faculty Employee and Third Party</th>
<th>Faculty Employee</th>

<tr>
<td>Then the AA is:</td>
<td>University Disciplinary Appeals Panel (UDAP) who may refer the appeal to the Dean of Student Life or designee <a href="https://student-rules.tamu.edu/rule58/">https://student-rules.tamu.edu/rule58/</a></td>
<td>Vice President for the Division of Human Resources and Organizational Effectiveness or designee <a href="http://rules.tamu.edu/PDFs/32.02.02.M0.02.pdf">http://rules.tamu.edu/PDFs/32.02.02.M0.02.pdf</a></td>
<td>University Committee on Faculty Disciplinary Appeals (UCFD) who will render an advisory opinion regarding the appeal to the Provost and Executive Vice President who will render a final decision</td>
</tr>
</tbody>
</table>

The AA, in consultation with OGC, will review the appeal documents, the decision of the DA, any new evidence submitted by the parties, and the investigation report and exhibits. The AA will render a written decision which includes a rationale for the decision as to each of the grounds appealed. If an appeal is sought by both parties within the allowed time frame, the AA will review both appeals and will render decisions accordingly.

The AA will render one or more of the following written decisions after reviewing a) the final investigation report, the documentary evidence and other relevant information; and b) the DA’s decision on responsibility and/or sanctions:

- **Affirm** the DA’s decision on responsibility and/or the sanctions. There are no relevant issues of concern related to the ground(s) of the appeal, and, therefore, the decision is affirmed and final.
- **Remand** the complaint back to the DA because new evidence, which was unknown or unavailable during the investigation, appears to be relevant and could have significantly affected the outcome of the decision on responsibility or the sanctions. The DA will instruct the IA to review the new evidence and amend the investigation report, as appropriate. The IA will submit the amended investigation report, without conclusions, to the parties for review and response and then to the DA for a new decision in accordance the established formal investigation procedures. The new decision of the DA may be appealed by the parties in accordance with the previously described appeal procedures.
- **Remand** the complaint back to the DA with an instruction to correct the procedural error or omission. If the procedural error occurred during the investigation phase, the DA will instruct the IA to correct the procedural error or omission and amend the investigation report, as appropriate. The IA will then
submit the amended investigation report, without conclusions, to the parties for review and response and then to the DA for a new decision in accordance with the established formal investigation procedures. If the procedural error occurred in the resolution phase, the DA will correct the procedural error or omission and then issue a new decision in accordance with established formal investigation procedures. The new decision of the DA may be appealed by the parties in accordance with the previously described appeal procedures.

- Modify the decision on sanctions because the sanctions given were inappropriate or disproportionate to the severity of the conduct after considering all the circumstances. The AA will impose new sanctions, which are final.

The AA will forward the appellate decision to CREI within 15 business days from the date of receipt of the appeal, unless circumstances require additional time. The decision of the AA will be final. Within 5 business days after receiving the appellate decision, CREI will provide simultaneous written notice of the AA’s decision, including changes occurring based on appeal and when such results become final (see Footnote 15).

**Extensions**

The university will make every reasonable effort to comply with the timelines contained in this procedure. However, extensions may be obtained by the IA, DA, or AA, as appropriate under the circumstances. Circumstances that warrant an extension may include, but are not limited to:

- Temporary unavailability of the complainant(s), respondent(s) or witnesses;
- Delays in issuance and/or receipt of information to or from the IA;
- Temporary unavailability of the IA, DA, or AA due to illness, family needs or professional commitments;
- Holidays or other periods when the complainant, respondent, witnesses, or other university employees may be unavailable; and/or
- New allegations, new evidence, new witnesses, or any other fact or circumstance that would require further investigation.

All requests for extensions must be justified in writing and shall be sent by the IA, DA, or AA to OREC for review and approval by the Chief Risk, Ethics, and Compliance Officer or designee. CREI will simultaneously notify the complainant and respondent in writing of any extensions and the reason for the extensions.

**For all investigations and disciplinary proceedings**

If the respondent has multiple roles at the university, such as when the respondent is both a student and an employee, the Chief Risk, Ethics, and Compliance Officer will consult with other relevant university officials and determine which procedure(s) to follow in the investigation and resolution of the allegations of prohibited conduct as well as other policy violations. The Chief Risk, Ethics, and Compliance Officer will consider the known facts and circumstances, including which role predominates in the context of the prohibited conduct.

The university’s disclosure of information related to an investigation, the DA’s decision and/or the sanctions rendered are governed by the provisions of FERPA, the Texas Public Information Act (TPIA), the Texas Education Code Section 51.971, and other applicable confidentiality laws.

---

20 If an employee was found to have sexually harassed another member of the university or agency community, the AA may not render a decision which modifies the sanctions.
**Prevention and Awareness Programs**

Primary prevention programs are directed at incoming students and new employees. The primary programs are defined as programming, initiatives, and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexual interactions, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

Texas A&M University provides culturally relevant, inclusive primary prevention and awareness education to incoming students and new employees to clearly define sexual assault, dating violence, domestic violence, stalking, and consent. The programs identify sexual assault, dating violence, domestic violence, and stalking as prohibited conduct and provide information regarding bystander intervention, risk reduction in recognizing warning signs of abusive behavior, ways to avoid potential attacks, and individuals’ rights and options. The training includes procedures individuals should follow if sexual assault, dating violence, domestic violence, or stalking occurs and procedures the institution will follow when one of these behaviors is reported. This includes, but is not limited to, the importance of preserving evidence; options for notifying law enforcement and campus authorities; procedures for institutional disciplinary action and conduct proceedings; possible sanctions following a proceeding; on-campus and community resources; rights and options for obtaining lawful orders; assistance in receiving support measures and remedial action; how the institution will protect the confidentiality of victims and other necessary parties; and protection from retaliation.

MBS CityCentre program directors facilitate a session at new student residency week (orientation) which includes a presentation and distribution of the above educational material. The session is mandatory for incoming Professional and Executive MBA Program students taking classes at MBS CityCentre. The new student handbook, distributed to these students upon check-in at new student residency, contains information on sexual assault, dating violence, domestic violence, and stalking; awareness and victims’ rights, resources; and available options.

The Offices of the Dean of Student Life require a mandatory online training module (Sexual Assault Prevention) focused on sexual harassment, sexual assault, dating violence, domestic violence, and stalking. Each semester, the training is sent to all incoming Texas A&M University undergraduate, graduate, and professional students. New students are required to complete this training at all campuses with the exception of Texas A&M University Qatar.

New employees located at MBS CityCentre receive primary prevention information through a web-based *Creating a Discrimination Free Workplace* training mandated by The Texas A&M University System. All employees are required to complete the training every two years thereafter.

Ongoing prevention and awareness campaigns are directed at students and employees. The ongoing campaigns are defined as programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking using a range of strategies with audiences throughout the institution. The same

---

21 For the purposes of this section awareness programs means community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce perpetration. Programs to prevent dating violence, domestic violence, sexual assault, and stalking means comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault, and stalking that are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, assessed for value, effectiveness, or outcome; and consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.
information included in the institution’s primary prevention and awareness programs is incorporated into ongoing prevention and awareness campaigns. Various departments on the main campus support ongoing campaigns that are available to MBS CityCentre students and employees as described below.

- The Women’s Resource Center (WRC) provides advocacy, education, prevention programs and referral services for students, faculty, and staff (http://studentlife.tamu.edu/wrc, wrc@tamu.edu, or 979-845-8784).

- Health Promotion (including an interpersonal violence unit) provides Green Dot Bystander Intervention training that addresses the dynamics and frequency of sexual assault; safety against and prevention of sexual assault, dating violence, domestic violence, and stalking; recognizing signs of unhealthy relationships; and active bystander intervention. Through Green Dot training, participants learn how to use the 3 D’s (direct, delegate, and distract) to intervene in any acts of power-based personal violence they may witness. Health Promotion promotes prevention of power-based interpersonal violence at the university by offering Green Dot and other education and training on the topics of bystander intervention, consensual language, healthy relationships, and responding to and assisting survivors of sexual assault. These programs occur throughout the year and are available upon request (https://studentlife.tamu.edu/hp/presentations/, healthpromotion@tamu.edu or 979-845-0280). Presentations are provided for classes, student organization meetings, orientations, residence hall programs, and other events.

- The Sexual Assault Survivors Services (SASS) committee is a collaborative working committee comprised of individuals from across the university and university community. The committee strives to share resources and perspectives to enhance services for support and education in the area of sexual violence. Focused on students, committee members work together to create educational resources and informational publications, and organize related special events. SASS provides the STAND Up workshop designed to train faculty, staff, and students on how to have trauma-informed conversations with individuals who have been involved in incidents of sexual assault, dating violence, domestic violence, and/or stalking. The workshop provides information about sexual assault, dating violence, domestic violence, and stalking; social perspectives; the impacts of trauma on the brain; listening techniques; tools for mandated reporters; and campus and community resources. Health Promotion coordinates the day to day operations of this workshop; see their contact information above.

- The university developed the Step In. Stand Up. Campaign, endorsed by the President, to create a culture of awareness that does not tolerate incidents of sexual violence. A large group of student leaders were involved to assist in crafting the message and the Campaign logo with the intention of reaching a broad campus population. The Campaign asks supporters to “step in” as active bystanders to prevent incidences of sexual violence from occurring and to “stand up” to support survivors. Students, faculty, and staff groups actively support the Campaign. These groups extend the Step In. Stand Up. message on campus and in the community during sporting events, student and employee orientations, and other campus-hosted events that take place throughout the year. Special efforts are made during sexual assault awareness month which include providing resource tables, facilitating pledge banner signatures, distributing t-shirts, and hosting speakers who advocate for social change and awareness. A website for the Campaign includes an online pledge of commitment, university-wide statements of support, campus and community resources, and information on how to report sexual violence (http://stepinstandup.tamu.edu/).

- The Texas A&M University Police Department’s Community Services Division, 979-845-0070, provides ongoing education available to students and employees to promote prevention and personal safety including sexual assault and stalking prevention and awareness, drug and alcohol awareness, and sexual harassment and rape prevention through self-defense tactics. Related materials are distributed by the Community Services Division at awareness events across campus and in the community during
times such as Campus Safety Awareness Series, National Night Out, and Sexual Assault Awareness Month.

- The Office of the Vice President for Student Affairs distributes an online Concerning Behavior Response Guide, to new faculty and staff to assist them in responding to individuals who may exhibit behavior that is concerning. The guide includes information about identifying sexual harassment, sexual assault, dating violence, domestic violence, and/or stalking, reporting requirements and procedures, and limits on requests for confidentiality in response to individuals who disclose related incidents. The guide can be found online at [http://tellsomebody.tamu.edu/resources/](http://tellsomebody.tamu.edu/resources/).

- The Division of Human Resources and Organizational Effectiveness offers training for employees regarding violence and sexual harassment in the workplace that covers employee rights, responsibilities, and strategies for preventing harassment, university policies and rules, and reporting and addressing complaints. Online courses are offered that provide guidance to identify and address behaviors of concern as a way of preventing violence in the workplace.

The Offices of the Dean of Student Life and Student Assistance Services maintain a webpage ([http://studentlife.tamu.edu/sassvp](http://studentlife.tamu.edu/sassvp)) that describes university resources, assistance, and reporting procedures for students impacted by sexual violence. The Title IX webpage, [http://titleix.tamu.edu/](http://titleix.tamu.edu/), also references the sexual harassment and violence resources and provides information for students, faculty, and staff who wish to report any form of sexual discrimination or harassment. Furthermore, the Step In. Stand Up. website referenced above also includes information on these topics.

A notice of non-discrimination and abuse is sent to all students by the MBS CityCentre campus administrator and to all employees by the OREC at the beginning of the fall and spring semesters regarding reporting procedures and requirements related to incidents of illegal discrimination, sexual harassment (including sexual assault, dating violence, domestic violence, and stalking), and related retaliation.

All MBS CityCentre students and employees are provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available on or near the main Texas A&M University campus and in the Houston area community. The written notification is provided by the MBS CityCentre campus administrator through an annual (fall semester) email. The email contains information about how to report incidents, applicable policies, and other available options in addition to existing services and resources.

**Bystander Intervention and Risk Reduction**

Everyone has a role in changing community knowledge, attitudes and behaviors. Change happens as each person is able to identify risky situations and take action to confront, interrupt, or prevent acts of sexual violence. Bystander intervention programs can help individuals observe a situation and determine an appropriate intervention where someone could use some help. Bystander intervention means just that; people taking care of others. If you find a friend in a situation that concerns you, consider the following strategies to intervene safely and effectively.

- Create a distraction to interrupt the flow of events
- Involve others to help you

---

22 For the purposes of this section bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.
• Make an excuse to remove a friend from the situation
• Point out the unwanted behavior in a safe and respectful manner
• Call for help, if needed

Sexual assault is never a victim’s fault. However, there are ways that may reduce the risk of being sexually assaulted including being prepared, alert, and assertive. Consider the following tips:
• Be aware of your surroundings
• Practice responsible drinking; alcohol is a factor in many sexual assaults
• Never leave your drink unattended
• Don’t accept drinks from someone you don’t know or trust
• Stay with your friends and make sure your friends stay with you
• Be careful of online relationships
• Trust your instincts

We are reminded to think about relationships, specifically relationships that may be, or become abusive. Be aware of the signs:
• Is one of the partners verbally and emotionally abusive?
• Is one of the partners isolating the other from friends and family?
• Is one of the partners controlling, intimidating or always jealous?
• Is there a threat of harm?

Other Considerations

Retaliation
MBS CityCentre prohibits retaliation. An officer, employee, or agent of MBS CityCentre may not retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights or responsibilities under any provision of the Clery Act.

Victim Notification
In accordance with the Higher Education Opportunity Act, upon written request, MBS CityCentre will disclose to the alleged victim of any crime of violence, or non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the University against a student who is the alleged perpetrator of such crime or offense with respect to such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for the purposes of this paragraph.

Institutions are required to provide both the complainant and the respondent with simultaneous written notification of any result of any institutional conduct proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking. In these cases, it is not necessary for the victim to make a written request.

Sex Offender Registry
Section 121 of the Adam Walsh Child Protection and Safety Act of 2006 (42 U.S.C. 16921) provides for the tracking of registered sex offenders and instructs states to post sex offender data on the internet.

The Texas Department of Public Safety (DPS) is the official Texas internet source for Sex Offender Registration information. The Sex Offender Registration open record information is extracted from the DPS
Sex Offender Registration Database. The DPS maintains files based on registration information submitted by criminal justice agencies and represents a statewide source of information on sex offenders required by law to register. The DPS public web page can be found at https://records.txdps.state.tx.us/SexOffender/.

**Definitions of Clery Act Offenses**

**Murder and Non-negligent Manslaughter**: The willful (non-negligent) killing of one human being by another.

**Manslaughter by Negligence**: The killing of another person through gross negligence.

**Sexual Assault**: An offense that meets the definition of rape, fondling, incest or statutory rape as used in the FBI’s Uniform Crime Reporting (UCR) Program. **Texas A&M University System Regulation**

System Regulation 08.01.01, Civil Rights Compliance provides guidance in complying with local, state and federal civil rights laws and regulations and related system policy. This regulation establishes system-wide standards for the receipt and processing of complaints, appeals, or reports of discrimination, sexual harassment and/or related retaliation based on protected class including complaints made by employees, students, and/or third parties.

According to System Regulation 08.01.01, Civil Rights Compliance, consent is clear, voluntary, and ongoing agreement to engage in a specific sexual act. Persons need to verbalize their consent to engage in a sexual act for there to be permission. Permission to engage in a sexual act may be indicated through physical actions rather than words. A person who was asleep or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason, or whose agreement was made under duress or by threat, coercion, or force, cannot give consent.

**Texas Penal Code**

According to the Texas Penal Code, Sec. 1.02, Objectives of Code, the general purposes of the Texas Penal Code are to establish a system of prohibitions, penalties, and correctional measures to deal with conduct that unjustifiably and inexcusably causes or threatens harm to those individual or public interests for which state protection is appropriate.

the crime were successfully completed).

Burglary: The unlawful entry of a structure to commit a felony or theft. For reporting purposes this definition
includes: unlawful entry with intent to commit a larceny or felony, breaking and entering with intent to commit
a larceny, housebreaking, safecracking, and all attempts to commit any of the aforementioned acts.

and non-negligent manslaughter, manslaughter by negligence, sexual assault (rape, fondling, incest, statutory
rape), robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault,
intimidation, or destruction/damage/vandalism of property. Following are the bias categories.

The concept of ethnicity differs from the closely related term race in that “race” refers to grouping based mostly upon biological criteria, while “ethnicity” also encompasses additional cultural factors.

National Origin: A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth. This bias may be against people that have a name or accent associated with a national origin group, participate in certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

Mays Business School at CityCentre - Reportable Crimes

The following statistics include all incidents of Clery Act crimes reported to the institution that occurred within the campus’ Clery Act locations, regardless of whether the individual reporting was a member of the campus community and regardless of whether the individual chose to move forward with the criminal justice or campus disciplinary proceedings. To prepare the annual disclosure of crime statistics, the institution collects information from internal sources such as campus police and other campus security authorities and requests information from external sources such as local law enforcement. Not all local law enforcement agencies responded to the institution’s request for Clery crime statistics.

The following are in reference to the reportable crimes tables.

* In 2016, 2017, and 2018 there were no reported criminal incidents involving hate/bias.

§ Unfounded crimes are those that a commissioned peace officer has investigated and found to be false or baseless and are subsequently withheld from the crime statistic.

**Crime Prevention and Security Awareness**

It is important for all of us to understand our role in the reduction of crime. A conceptual aid often employed by crime prevention practitioners is referred to as the Crime Triangle. For any crime to occur three elements must be present: desire, ability, and opportunity.
Members of the university community easily recognize there is little that can be done to control the criminal’s ability and desire. The university community’s greatest strength in the prevention of crime is our initiative to reduce or eliminate the opportunity for a crime to occur.

A primary goal of the applicable law enforcement authorities (CityCentre Security and Houston Police) is the prevention of crime before it occurs. Because law enforcement and security personnel cannot be everywhere all the time, they need the help of all members of the MBS CityCentre community to take an active role in their personal safety and property protection. Crime prevention is important to the campus community. Reporting any crime or suspected crime immediately is helpful to CityCentre Security or Houston Police and may be prevent someone else from becoming a victim of a more serious crime. The following programs are designed to encourage students and employees to be responsible for their own security and the security of others.

At the beginning of each class year students receive the MBS CityCentre Building Use Guidelines from the Mays Business School and a link to the CityCentre Tenant Handbook. The documents address building security, building access, alcohol and drug policies, and guidance for handling suspicious, criminal, or emergency situations. When there is an update to either document, a notice and the update are emailed to students. No formal crime prevention programs or programs about campus security procedures and practices are offered at the MBS CityCentre campus. However, students and employees at MBS CityCentre have access to the Houston Police Department and University Police Department crime prevention programs and programs regarding security procedures/practices as described below.

Keep Houston SAFE is a citywide public safety campaign involving a collaborative partnership between citizens, businesses, and the Houston Police Department. The main focus of the campaign is crime prevention and the implementation of proactive enforcement efforts and measures aimed at the reduction of criminal incidents, rather than responding to them after they have occurred. Simply, the goal of the Keep Houston SAFE campaign is to prevent crime.

The Houston Police Department offers a variety of crime prevention materials and services to our community members.

At the main Texas A&M University campus, the University Police Department’s Community Services Division, staffed by officers who are state Certified Crime Prevention Specialists, continually presents programs covering crime prevention and security information to students, staff, and faculty. These Crime Prevention Specialists are dedicated full time to crime prevention efforts and programs. They participate in and provide information during new and transfer student orientation, international student orientation, in addition to a number of other programs scheduled annually with student, staff and faculty organizations. In these sessions, information is provided regarding campus security procedures and practices. The Campus Safety Awareness Series is another opportunity for the campus community to get to know University Police Department officers, ask questions about security procedures and practices, and/or voice concerns on a monthly basis in the fall semester. For additional information or to schedule a program you are encouraged to call the Community Services Division at 979-845-0070.
